Subject: Letter of Support

For:

Yara Naif Alotaibi

يارا نائف العتيبي

Job Title: AI Engineering Consultant

Project Title: SALAM – Saudi Labor Law AI

To whom it may concern,

Please accept this letter as confirmation that the consultant has worked with us as a solid contributor to Beamdata's AI Hub, an all-in-one end-to-end Enterprise AI Platform.

Over the past three months, the consultant has collaborated closely with teammates and demonstrated strong skills in Large Language Modeling (LLM), Retrieval-Augmented Generation (RAG), prompt optimization, and rapid prototype development. The team's contributions were extremely meaningful and impactful, and the quality of work delivered was highly impressive.

We are confident that the consultant will continue to excel in future academic and professional endeavours.

Please feel free to contact us at info@beamdata.ca or 1-647-459-8172 should you require additional information.

Sincerely,

Shaohua Zhang
